Meeting called to order at 7:04 PM by President Kevin Doherty, who asked for a volunteer to take minutes due to the illness of the Secretary. Motion to approve the agenda was made by Linda, seconded by Pat C and adopted.

There were no guests who wished to use the Public Forum offered by the agenda.

Mention was made of the staff thank you, along with a minimum of other items in the correspondence folder circulating around the table.

ITEMS RELATED TO THE NEW BUILDING: Susan and Kevin reported that there have been a few warranty service calls on building systems; but that overall, things are working well. Kevin reported he expected the final LeCesse payment draw to be acted upon at the January meeting.

REVIEW and APPROVE MINUTES: The minutes of the November 14, 2012 Trustee Meeting were approved upon motion by Mary Anne, and seconded by Linda.

SUMMARY, QUESTIONS, and UPDATES – DIRECTOR’S REPORT: In addition to pre-read information, Susan reported that the Library has been named one of the residual beneficiaries of the Estate of R. Wells Harrison. She also noted that she will be using some of her accumulated leave time during January 2013 as she and her sister share in the home caregiving duties for an aunt. A question was raised about pop-up ads on the on-line calendar of events and activities on the Library website. Susan was not sure about whether or why such ads were there, but will check.

Linda Smith reported attendance in October at a Main Street Grant meeting, at which the Library submitted for $22,500 for window and asbestos abatement at the Burrows Building. It is believed there was a meeting scheduled after December 5. Kevin was tasked with getting information about asbestos removal services via the NYS Dept of Corrections work crews, as have been utilized at the Albion Schools.

Following discussion of a request from Ron Tower, maintenance contractor, it was moved by Mary Anne and seconded by Linda that we appropriate $1,200 for the purchase of a small shed to be located on the rear of the building between the air conditioning compressors and the back door; with the proviso that prior to purchase and delivery, Ron confirm with Susan (and at her discretion, the remainder of the aesthetics team of the Building Committee) that its construction and appearance blend in with the existing exterior views of the Hoag building. This shed will be used to store seasonal equipment and supplies, including but not limited to ice melter, lawn mower and gasoline.
REVIEW and ADOPT TREASURER’S REPORT: After a conversation about the relative inconvenience for Trustees in navigating the financial reports, especially because the operating and capital expenditures are grouped together; and suggestions of the auditor for clearing up those concerns, the Treasurer’s Report for November 2012 was approved upon motion of Mary Anne, seconded by Jan.

OLD BUSINESS: Pat C reported on interactions and conversations with Charity Garrow about the amount of activity without result in additional adult volunteers; and that those conversations will continue. The Trustees supported the effort, since supplement to paid staff will be almost a requirement in the new building.

Susan reported that OCALS is scheduling their tutor sessions, and that there have been no conflicts.

Kevin reported that the Director of the STEM at SWAN grant program has been released as the steering committee, including Kevin, Susan, Mary Leto of the Albion Schools and Elissa Nesbitt of Xerox have made mid-year adjustments to establish better links with the student participants. Field trips are continuing as planned. A possibility for the Director was discussed in the event the grant is re-funded for 2013-14.

Kevin reported that a meeting has been called by County Legislature Chairman David Callard for Friday, December 14 with various stakeholders to discuss a future for the Burrows Building; and that he will attend.

Kevin reported that he met with Patty Hayles, the auditor, for the required formal meeting prior to the start of the 2012 audit; and that there were no real concerns in either direction. It has been suggested that we move to some electronic method of time keeping, which would provide some additional management reports and scheduling assistance. Patty confirmed that the necessary paperwork for the Friends is part of her engagement proposal.

Upon motion by Mary Anne and second by Jan, the Finance Committee was authorized, at its discretion, to either carry over into the 2013 Operating Budget or transfer to pay down principal on the temporary note with Farm Credit, any unexpended funds from the 2012 Operating Budget; and report such actions in writing to the 2013 Trustee meeting. Kevin presented a review of the status of the cash needs projected for the Hoag Library. Kindergarten Graduation: Applications for Library Cards for K grads delivered. Applications on colored paper to check the outcome of the project.

4-H Fair: With the Hoag opening, the board did not feel they could participate in the booth this year. The Library does have a story time at the fair and will continue this again this year.

Policy and Protocol adjustments for Meeting Room Space at the Hoag referred to Planning.

FINANCE COMMITTEE: In preparation for Farm Credit draw subsequent to April meeting, Kevin made a $50,000 error in the draw request. LeCesse check was the correct amount, but the account on which it was drawn was $50K short. Therefore, he used a $50K check drawn

STEM at Swan (SAS) grant overview by Kathleen Valley and Elissa Nesbitt.

Kevin introduced the SAS representatives who joined us to explain the project. Recently retired after 30 years of teaching Kathie is looking forward to the challenge. She shared some research and her goals. She plans to encourage participation by girls.

ACSD is selecting the student participants.

Elissa mentioned that Xerox is also interested in getting girls involved in these programs. Xerox is involved in FIRST – promoting/sponsoring Robotics teams. She reviewed the project outline with Board. A copy of the presentation follows.

Question of insurance. While on library property and while under Kathie’s care responsibility of insurance is the library’s. While being transported by ACSD, if an issue should arise, the insurance of the parents of the children is tapped first, ASCD next, followed most likely by any and all parties involved.

Questions and discussion followed.

Motion to participate in the grant; have Susie Gaylard set up accounts outside Operating Budget to segregate and track income and expenses related to the grant; authorize Susan to approve expenditures prior to payment on current schedule with President as back-up, made by Mary Anne Braunbach, seconded by Dona Scharping and approved by all.

ITEMS RELATING TO BUILDING PROJECT

Project Update – Information about interior painting, brickwork, site work, etc. by Kevin who says that LeCesse is being very good about seeing that all contractors are doing their jobs properly and that materials arrive as ordered. i.e. Pre-cast pillars arrived, were rejected and sent back because they were the wrong color.

Board members requested updated pictures of building progress on the website. Community members have expressed a desire to see the progress.

Secured www.hoaglibrary.org as web name. At present, when input, the user is directed to the current site.

Kevin passed a copy of the LeCesse report which includes progress and updates.
Financing Update – Kevin reports that Farm Credit East is pleased with progress to date; will do an inspection coincident with this month’s draw.

Capital Campaign total is up to $1,354,732.70. Contributions amounting to $25,679 have been received in 2012.

Report of the Ad-Hoc Committee regarding “The Move”. Susan reports that she used LeCesse’s system as a model. Five moving companies with experience moving a library have been at Swan to look the situation over. Estimates to move have come in from four of those companies ranging from $20,000-30,000. Separate and apart from the above, Diamond Movers (who moved the Borders shelving units in September) will come back to move those shelves from the Pullman Church to new building.

The Planning Committee has been working with Cadette Girl Scout Troop 82191 on organizing their community wide Book Brigade event scheduled for Saturday, June 16th from 9-11AM. (Rain date June 17th.) The girls are working toward their Silver Award and are hoping to draw in 500 community members to participate in the project. Tim Archer from AMS will provide 100 students to help. Gathering sponsors to offset costs, the Troop is planning to distribute t-shirts to participants. Their theme “From here to there” with both library doors on the shirt front and sponsors listed on the back is tentatively being planned. A copy of the sponsorship letter will be forwarded to Trustees at Mary Anne’s request.

The shelving plan is in place. We know when things are being moved and where everything goes.

Powder coating of ‘old’ shelving units being moved to the new library will be done at Empire Coating. Sample passed.

A Grand Opening ceremony is being planned for Saturday, July 7th (without circulation). Full service begins on Sunday, July 8th when the library will be open from noon to 3PM.

Last day of service here at Swan is planned for June 2nd. Moving of books begins June 4th. LeCesse needs shelving in place before their scheduled finish date to avoid additional costs.

Kevin has spoken with 2 people regarding etched or cast plaques for recognitions.

MAB reports 200 names will be engraved. The plaque will be displayed on the right side of inner entry. Committee has looked at various plaque styles and materials. Prices run from cast brass at $29,000 to $1,200 for other options. There will be various plaques throughout the building including those recognizing donors of rooms, etc. Members ask that Kevin investigate and get costs narrowed down and bring cost projections to the committee for a decision before committing to anything.

Donor recognition night – Friday, July 6th. Mary Anne requests Lynne, Barb Southcott and Dele do food for the event. It was suggested that more food and less sweets be provided.

Mary Anne stated she, Ingrid LaMont and Pat Shelp will do the invitations for the donor recognition event to be sent to donors of $1,000+, staff, etc. Dress is smart casual.

There will actually be two separate events – Donor Reception and Grand Opening. Mary Anne will organize both events. She plans on help of staff and trustees. Kevin appointed Bill Lattin to the festivities committee along with those already mentioned.

Authorization for payment from the MSSB Permanent Improvement Fund:
King & King: Inv.#20030 dated 03/15/2012 in the amount of $6,840.00. (After this payment the library will have paid 95% of the original $ 228,000 contract.)

King & King Inv.#20029 dated 03/15/2012 in the amount of $7,836.00. (After this payment the library will have paid 95% of separate $17,700 Commissioning Contract, reduced to $14,440).

Motion made by Pat Cammarata, seconded by Dona Scharping to authorize payment for both invoices. Approved.

Authorization for LeCesse Payment Application 8 (attached resolution) in the amount of $258,491.90 was made on a motion by Mary Anne, seconded by Dona.

Roll Call Yes Vote by all members present: Braunbach, Cammarata, Patterson, Scharping, Smith, Theodorakos, West, and Doherty. Philipps and McKenna excused.

Review Project budget and cash flow.
- Per handout – Cash needs projection – possibility of funds shortage mostly due to unexpected expenses.
- It was suggested that budget projections be made for the next several years to give current and future Board members an idea of what the financial issues are. Perhaps up to $250,000 short – where could we make it up? Ask for donors, sell bricks and conduct other fundraisers, etc. The Campaign Finance Committee has been trained by Ivy so should be able to handle brick campaign. We also need to facilitate a memorial gifts program.

Hopefully the current library building will be turned over to another group who will assume responsibility for its ongoing costs reducing our outlay. Someone will speak with Roger LaMont about moving this forward.

8AM – Saturday, April 14th – the Building Finance Committee will meet again including Linda Smith, Library Treasurer to discuss funding options, opportunities and avenues.

**NEW BUSINESS**
- Review and adopt modified logo for the Hoag Library. Motion to approve the Hoag logo was made by Mary Anne Braunbach, seconded by Linda Smith and carried.

- RFID to be discussed at the May meeting. It is the principal component of 2012 State Library grant request.

- Tax rate information. Table provided with comparisons to neighbors and Swan levies from 1998 to present. Some grumbling about 6+% rate increase. Discussion.
- Reminder by Kevin, that all should show up and vote positively on the library budget proposal.
- Farm Credit suggested the library lock in final total of construction loan by June.

Per board President review and approval of the March 14th Meeting Minutes is on hold until the May meeting.

Per Board President review and approval of the March 2012 Treasurer’s Report is on hold until the May meeting. Kevin noted on the agenda that 25% of the year is gone, the overall budget is at 21.4% of total; but some lines are over because of timing. Debt service line was a “best guess;” only 5% now, but will catch up when principal payments start.

ITEMS RELATED TO BUILDING PROJECT

Ad-hoc Building Naming Committee: report made by Mike McFarland. Other members of this committee include Roger LaMont, Linda Smith, and Susie Gaylard. Mike reported that Maurice Hoag, who has bought the naming rights of the library, would be happy with simply calling the library Hoag Library. Discussion over the logo occurred and the Board suggested we keep the column as currently is being used, and replace Swan with Hoag.
