The Friends have approximately $7200 dollars to go towards the sign at this time. We were presented with photos of N. Tonawanda’s sign which cost them in the area of $30,000. Betty Sue Miller will be the liaison for the Sign Committee which is comprised of Mary Anne and Terri Lynn Corrigan. Kevin will be the point of contact person as he is so well versed in the building of the library. We were asked to be on the lookout for signs that we may think would be a good fit for the library. The Friends will attend a Zoning Board Meeting, to get a feel for what will be approved. The Friends gave a check to Tale for Three Counties to cover the difference of sponsorship.

LOCAL HISTORY

FRIENDS- The Friends are looking for a type of sign structure. C. Miller made a motion that Betty Sue and Kevin to communicate to the Friends that the Trustees support their efforts towards a permanent sign. The sign needs to be aesthetically pleasing, need estimates for the cost and mock ups done, and bring back to the Board for coherence. Also, needs approval from the Village Planning Board. Motion seconded from J. Albanese. Accepted.

OLD BUSINESS: Community feedback on Charles Howard Statue- discussion
-Permanent Financing for Building and Solar- discussion- three banks are interested at this time.
Refinishing meeting room Floors, creating an action plan- discussion
Update on Tale for Three Counties- Information

The Friends donated $250.00 towards Tales for the 2016 year. The problem is, in years past it was $500.00. This information was sent to Mary Anne, and Catherine via several emails, and was to be up for special vote prior to Tasty Treats. This vote never took place, deadline missed without word as to donation amount. Tales went ahead and placed the Friends as Shakespeare Donors as in years past. This reflects poorly on the library, and we are the hosting library for the author engagement this year. K. Deegan to request the other $250.00 to bring the Friends to the proper donation amount. Suggesting next year, if they wish to decrease, they need to do so before the deadline.
